I'm a Washington, DC–based editor and filmmaker who has worked with agencies, production companies, and organizations of every size, cutting fast-turnaround commercials one day and long-form documentaries the next. I can plug into an existing team and workflow, or take a project from the first idea to final delivery on my own.

EXPERIENCE

SHINE CREATIVE

MAY 2022 - PRESENT

Senior Video Editor / Motion Designer

- Edited and created motion graphics for TV, digital, and social spots on tight turnarounds, from brand campaigns to causes
- Edited political ads for President, Governor, Senate, and House races, including the Kamala Harris campaign and the video that introduced vice presidential candidate Tim Walz at the 2024 DNC

NCARB

SEPT 2015 - MAY 2022

Senior Videographer / Editor (2019 – 2022)

Videographer / Editor (2015 – 2019)

- Handled every stage of production, from producing and shooting to editing and animation
- Interviewed more than 60 people across the country for a documentary series on NCARB's centennial
- Directed, animated, and edited the Destination Architect campaign
- Designed the in-house studio and managed all video equipment
- Directed and switched multi-camera live streams

FREELANCE

MAY 2008 - PRESENT

Editor / Motion Designer / Director / Producer / Cinematographer

- Edited feature, short, and documentary films, TV shows, music videos, web series, trailers, commercials, corporate videos, animations, and live events
- Select clients include Discovery, MIT, National Lampoon, Bard Tales, Fresenius Kidney Care, Dentons, The Great Courses, AFI DOCS, and Rhed Pixel
